

ENTRY FORM COMMUNITY GREEN SPACE COMPETITION 2019

About the Competition

The Community Green Space Competition (also known as the Green Areas Award) is part of the annual Ennis Tidy Towns Local Awards and is our way of saying thanks to all of you who take such pride in your green areas, residential streetscapes, civic gardens and Shrines. Your passion and hard work is a major contributor to Ennis ranking so highly in the National Tidy Towns Awards and for this we are truly grateful.

Like the National Awards our Community Green Space Competition is recognising the importance of native **biodiversity** and therefore we would like to see projects or measures you have taken to promote native flora and fauna. We are mindful that it needs to be site appropriate so if you live along a residential street, maintain a civic garden or Shrine we will recognise the more limited options available and how more formal planting may be desired. Best of luck from all at *Ennis Tidy Towns!*

For tips on 'wildlife gardening' make sure to check out
