Ennis Tidy Towns

Showcasing the amazing gardens and gardeners of Ennis!

ENTRY FORM
GARDEN COMPETITION 2020

Deadline for Entries: Friday July 3, 2020

The Best Kept Garden is part of the annual Ennis Tidy Towns Local Awards and is our way of saying thanks to all of you who take such pride in your gardens. Like the National Awards our Best Kept Garden Competition is recognising the importance of native biodiversity and therefore we are continuing our 'Biodiversity Garden' Category for 2020. These are gardens which purposely make room for traditional garden plants as well as native flora, bees, butterflies, hedgehogs and other wildlife. We would also like to see biodiversity catered for, where possible, in the Large, Medium and Small Garden categories. **And don't worry, if your garden is at the back of your house we will contact you to arrange a time to view it so please do enter! Adjudication will adhere to all COVID19 guidelines to ensure everyones safety.** Best of luck from all at *Ennis Tidy Towns*!
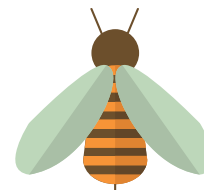

Small/Medium/Large Category

- Overall design and appearance - 40 points
- Evidence of environmentally friendly gardening techniques - 20 points
